**Your Maximum Budget:** \_\_\_\_\_ **Amount you would like to spend:** \_\_\_\_\_

*Many people are reluctant to discuss their budget for a variety of different reasons. To help you achieve your goals, we need to know how much you can afford to spend. There are many solutions available at various price points, and we can help you set priorities to achieve your dream kitchen. FYI - We do not raise or lower our prices based on your budget.*

**My top three reasons for remodeling the kitchen are;**

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

● How long do you plan to live in the house? \_\_\_\_\_

● What do you plan on doing when your existing kitchen is unusable?

\_\_\_\_\_  
*(Take Out is King, Need a Temporary Kitchen setup, I will setup a Temporary Kitchen, Vacation Time)*

● Who Cooks? \_\_\_\_\_

● What type of cooking do you do? \_\_\_\_\_

*(Quick & Simple, Family Meals, Gourmet Meals, Big Parties, Combination)*

● Who Cleans Up? \_\_\_\_\_

● Does anyone have any physical limitations that might be a factor & if so what are they?

\_\_\_\_\_  
*(Reaching, bending, lack of strength issues)*

● Where do you eat now? \_\_\_\_\_

● Where would you like to eat after the remodel is completed? \_\_\_\_\_

● Do you entertain others or would you like to? \_\_\_\_\_

*(If yes: How many, What style of entertaining - Catered, Formal, Buffet )*

● Do you have pets & where do they eat? \_\_\_\_\_

● Do you buy your food in bulk or as needed? \_\_\_\_\_

● Do you need more storage & for what area(s)? \_\_\_\_\_

● What other activities or hobbies might impact the use of the kitchen?

\_\_\_\_\_  
*(Homework, Paying Bills, Entertaining Friends, Laundry, Puzzles, Home Office, Family or Casual Dining, Phone or Communication Center, kids running in and out all summer long for drinks & snacks)*

**Must Have & Wish List Items:** *Every Member of the family should take a piece of blank paper & write down what they need and would like to see in the new kitchen separated into two columns appropriately labeled - for example (small refrigerator by back door for kids drinks & snacks, shelf for cookbooks or a bookcase, area for a phone and computer, family communication area, etc...)*

Describe what type of Remodel or Renovation you plan on doing; \_\_\_\_\_

Level 1: Simple Facelift, Spruce up my kitchen with maybe a new floor, &/or countertops, &/or fixtures &/or new appliances

Level 2: Gut It and replace everything with new, keeping the location of the new appliances & the new cabinets in the same location as the old, which requires no Electrical &/or Plumbing Changes

Level 3: Gut It and replace everything with new including the layout, while still keeping everything inside the footprint of the old room, which requires no Structural Work

Level 4: Move it or Build It for more space / better views & access e.g. I want access to the Family Room & Dining Room, the kids don't need that closet, etc...
